Excuse me baby
What's the deal?
Could you tell me baby
How you feel?
I never tried to
Cross the line
Though I stepped on it
A couple times

She, She, She, She, didn't go
She didn't know
That she been looking past the bad things I do
She didn't go
She, she didn't know
That's why she'll always be the one I cater to

Baby be the leader (oh)
I'm the receiver (oh oh)
I'ma follow you baby, follow you baby

Baby be the leader (Oh)
I'm the receiver (Oh Oh)
I'ma follow you baby, follow you baby

She stayed with me and
She didn't leave
Though all the times you didn't go go go go
She stayed with me and
She didn't leave
Though all the times you didn't go go go go

Baby yes I know I made mistakes
But I was straight up with you (Yes I told the truth)
The truth about every time
I was never the type to lie

She, She, She, She, didn't go
She didn't know
That she been looking past the bad things I do
She didn't go
She, she didn't know
That's why she'll always be the one I cater to

Baby be the leader (Oh)
I'm the receiver (Oh Oh)
I'ma follow you baby, follow you baby

Baby be the leader (Oh)
I'm the receiver (Oh Oh)
I'ma follow you baby, follow you baby

She stayed with me and (Oh no)
She didn't leave (No)
Though all the times you didn't go go go go (Go Go)
She stayed with me and (Oh woah)
She didn't leave (Noo)
Though all the times you didn't go go go go (Ooh)

Excuse me baby
What's the deal?
Can you tell me baby
How you feel
I never tried to cross the line
Though I stepped on it
A couple times

Baby be the leader (Oh)
I'm the receiver (Oh Oh)
I'ma follow you baby, follow you baby

Baby be the leader (Oh)
I'm the receiver (Oh Oh)
I'ma follow you baby, follow you baby

She stayed with me and
She didn't leave
Though all the times you didn't go go go go
She stayed with me and
She didn't leave
Though all the times you didn't go go go go

Baby be the leader (Oh)
I'm the receiver (Oh Oh)
I'ma follow you baby, follow you baby

Baby be the leader (Oh)
I'm the receiver (Oh Oh)
I'ma follow you baby, follow you baby
