"Talkin 'Bout Us"

Can't keep my hands from touchin' on every part of you
there ain't no watch cold enough to cool my
temperature
she like my muffler
that's what I'm showin' her
the way I'm killin' it, shawty
should call a coroner

you and I got a story like nothing I ever heard in the
whole world
you and I got a story and its like the fairytales are
trying to imitate it

[2x]

what they talkin bout?
who they talkin bout?
girl they talkin bout us
(girl their talkin bout us)

every movie that's got an R rated sex scene
every song that your momma played at her wedding
every novel ever writtin' that ends with two people
fallin' in love

what they talkin bout?
who they talkin bout?
girl they talkin bout us
(girl their talkin bout us)

their ain't a girl that could love me the way that you do
I been with enough of 'em to know that it's true
and when we go to war,
I love the way you fight
no low blows, unless it's to get my head right

you and I got a story like nothing I ever heard in the
whole world
you and I got a story and its like the fairytales are
trying to imitate it

[2x]

what they talkin' 'bout?
who they talkin' 'bout?
girl they talkin' 'bout us
(girl their talkin' 'bout us)

every movie that's got an R rated sex scene
every song that your momma played at her wedding
every novel ever writtin' that ends with two people
fallin' in love

what they talkin' bout?
girl they talkin' bout us

you you
they all up on me me
they don't give us space space
every where we be be
I said they all up on you you
they all up on me me
they don't give us space space
every where we be be be be be be
every where we be be be
they all up on you you you
they all up on me me me

[2x]

what they talkin' bout?
who they talkin' bout?
girl they talkin' bout us
(girl their talkin' bout us)

every movie that's got an R rated sex scene
every song that your momma played at her wedding
