"Thinking About Ya"

Oh, whoa, whoa
Whoa, whoa
Konvict
Music

Girl, I've been thinkin' bout ya
And I been dreaming bout ya

Girl, I've been thinkin' bout ya
And I been dreaming bout ya

Girl, I've been thinkin' bout ya
And I been dreaming bout ya

Girl, I've been thinkin' bout ya
And I been dreaming bout ya

Hey girl, you're getting hotter
Hotter than the average temperature
Than a man could stand
If you hold my hand
I could be ya man
But I
didnt know that you'd make this harder
whatchu trying to say baby running games on me
(but i)
girl, I will try
(will try)
to give my best to you
(to you)
and do the things
the others wouldnt do
(they wont do)

cause, your expectations got so high
i could be your guy only if I tried
but I know that I Gotta step my game up yeahh yea!

Girl, I've been thinkin' bout ya
And I been dreaming bout ya

when you walk two lane on a sunny day
thinkin that you hear me but its not the same

Girl, I've been thinkin' bout ya
And I been dreaming bout ya

every moment pass when you not around
Someone comes up with these drawings
cause the scent of your clothes
the red blush on your face
even your swagger makes me wish that I could grab a
taste
dont mean to come on strong, but girl it dont feel
wrong
and to be honest, I could see us both together
Cause you dont know
all the hoops I had to go through to get you a second in
my life
no you wont go
if I show u the real me sweet and sensitave real me
But I
girl, I will try
(will try)
to give my best to you
(to you)
and do the things
the others wouldnt do
(they wont do)
cause your expectations got so high
i could be your guy, only if I tryed
but I know that I Gotta step my game up

Girl, I've been thinkin' bout ya
And I been dreaming bout ya
when you walk two lane, on a sunny day, thinkin that
you hear me, but its not the same

Girl, I've been thinkin' bout ya
And I been dreaming bout ya
every moment that pass you not around
Someone comes up with these drawings
cause the scent of your clothes
the red blush on your face
even your swagger makes me wish that I could grab a
taste
dont mean to come on strong, but girl it dont feel
wrong
and to be honest, I could see us both together

Dont be distant, dont be shy

with one try,
ill have you shaking cookiNg baking
oh yes baby,
girl youll fly, and like what ill do to you

girl ill break my back, to cover all your needs
ass long as you is pleased, it dont matter to me
if I break my back then it was all worth it to me
cause in the end ill finally be with the woman of my
dreams yeah!

Girl, I've been thinkin' bout ya
And I been dreaming bout ya

when you walk two lane on a sunny day
thinkin that you hear me but its not the same

Girl, I've been thinkin' bout ya
And I been dreaming bout ya

every moment pass when you not around
Someone comes up with these drawings
cause the scent of your clothes
the red blush on your face
even your swagger makes me wish that I could grab a
taste
dont mean to come on strong, but girl it dont feel
wrong
and to be honest, I could see us both together
