Tryin to make a livin the best way i know how  
instead of ridin bulld i should have been a rodeo clown  
coz things were goin good for awhile then they turned  
around  
everytime i nod i get whopped out and get laid down  
i'm still rockin these crowds from shore to shore  
you better look out i'm on a bad to lay down tour

leavin the rodeo no money just a fuckin black eye  
the boys are all in the truck yeah we're ready for a  
good time  
when we pulled up to the bar we were all drunk on  
crown  
and went out lookin for the girls who are bad to lay  
down  
i hit up this big boobed girl she was kind of shy  
whispered in my ear i was like oh me oh my  
i'm gonna give you some sympathy ass for that black  
eye  
i'm still rockin these whores from shore to shore  
keep your daughters in the house i'm on a bad to lay  
down tour

i'm on a bad to lay down tour  
bad bad to lay down  
if i get the most points i'll win the trophy for sure  
accumulated points by the ratio that you do?

whether it's bein lazy, getting wrecked out or the bitch  
that you screw, all is a product of layin down.  
coz i'm on a bad to lay down tour  
bad bad to lay down

when i left her house her dad was like  
who the hell are you  
he had a shotgun it looked like i was  
fuckin screwed  
so i let up tryin to talk my way  
out of this mess  
then i did the only thing that i knew best  
i threw a right cross and i knocked his old ass on the  
ground

he went to sleep and i knew he was bad to lay down  
if you didn't know now you know now for sure  
keep your daughter in the house i'm on a bad to lay  
down tour

i'm on a bad to lay down tour  
bad bad to lay down  
if i get the most points i'll win the trophy for sure  
accumulated points by the ratio that you do  
whether it's bein lazy, getting wrecked out  
or the bitch that you screw, all is a product of layin  
down.  
coz i'm on a bad to lay down tour  
bad bad to lay down  
lay down  
lay on down
