Day after day
Tell my self you never meant the words that you say
Night after night
I ly here alone can't get you outta my head
Like a fool I let our love slip away
You left me here
What more can I say

[Chorus]
I missed my chance I lost my turn
My ship sank I crashed and burn
Broke your heart than I let my self down
I lost the fight I lost the game
Now there's only me to blame
If you wondered where I am check the lost and found

Time after time
I felt your the man you needed me to be
Night after night I left you no choice but to pack your
clothes and leave
Got to much pride to beg you to stay
So before you go just let me say

[Chorus]
I missed my chance I lost my turn
My ship sank I crashed and burn
Broke your heart than I let my self down
I lost the fight I lost the game
Now there's only me to blame
If you wondered where I am check the lost and found
