So smile  
and let me be your god and than  
You could be godlike,  
thats how we feel like

like violence,  
and also like romance  
thats how we feel like  
we feel lies

It's mesmerizing,  
like the water flows  
news we dislike,  
news we suppose

It could be rhyme  
or it could be prose  
we mesmerized,  
that's how it goes

Don't be ashamed  
of your odds and ends  
blemish and taints  
disgust and weakness -

bleakness!  
creepiness!  
and more or less  
We're all impressed

You're Godlike! Godlike.

So take your time

and time will take a rest and than  
you could be godlike  
thats how we feel like

Like someone  
like to come off best  
thats how we feel like  
we feel lies

It's mesmerizing,  
like the water flows  
news we dislike,  
news we suppose

It could be rhyme  
or it could be prose  
we mesmerized,  
that's how it goes

Don't be ashamed  
of your odds and ends  
blemish and taints  
disgust and weakness -

bleakness!  
creepiness!  
and more or less  
We're all impressed

You're Godlike! Godlike.
