A Warning Sign

A warning sign

I missed the good part then I realised

That I started looking and the bubble burst

I started looking for excuses

Come on in, I've got to tell you what a state I'm in

I've got to tell you in my loudest tones

That I started looking for a warning sign

When the truth is

I miss you

Yeah the truth is

That I miss you so

A warning sign

You came back to haunt me and I realised

That you were an island and I passed you by

When you were an island to discover

Come on in, I've got to tell you what a state I'm in

I've got to tell you in my loudest tones

That I started looking for a warning sign

And the truth is

I miss you

Yeah the truth is

I miss you so

And I'm tired

I should not have let you go

So I crawl back into your open arms

Yes I crawl back into your open arms

And I crawl back into your open arms

Yes I crawl back into your open arms

A Whisper

A whisper, whisper, whisper, whisper

A whisper, a whisper, a whisper

I hear the sound of the ticking of clocks

Who remembers your face

Who remembers you when you are gone

I hear the sound of the ticking of clocks

Come back and look for me

Look for me when I am lost

And just a whisper, a whisper, a whisper, a whisper

Just a whisper, a whisper, a whisper, a whisper

Night turns to day

And I still have these questions

Bridges will break

Should I go forwards or backwards

Night turns to day

And I still get no answers

Just a whisper, a whisper, a whisper

A whisper, a whisper, a whisper

(Just a whisper, whisper, whisper, whisper)

I hear the sound of the ticking of clocks

Who remembers your face

Who remembers you when you are gone

I hear the sound of the ticking of clocks

Come back and look for me

Look for me when I am lost

And I am just a whisper, a whisper, a whisper, a
whisper

Just a whisper, a whisper, a whisper, a whisper

Oh ha ah ah ah ah ah ah
