Christmas night, another fight
Tears we cried a flood
Got all kinds of poison in
Poison in my blood

I took my feet
To Oxford Street
Trying to right a wrong
Just walk away
Those windows say
But I can't believe she's gone

When you're still waiting for the snow to fall
Doesn't really feel like Christmas at all

Up above candles on air flicker
Oh they flicker and they float
But I'm up here holding on
To all those chandeliers of hope

Like some drunken Elvis singing
I go singing out of tune
Saying how I always loved you darling
And I always will

Oh when you're still waiting for the snow to fall

Doesn't really feel like Christmas at all

Still waiting for the snow to fall
It doesn't really feel like Christmas at all

Those Christmas lights
Light up the street
Down where the sea and city meet
May all your troubles soon be gone
Oh Christmas lights keep shining on

Those Christmas lights
Light up the street
Maybe they'll bring her back to me
Then all my troubles will be gone

Oh Christmas lights keep shining on

Oh Christmas lights

Light up the street

Light up the fireworks in me

May all your troubles soon be gone

Those Christmas lights keep shining on
