The lights go out and I can't be saved  
Tides that I tried to swim against  
Have brought me down upon my knees  
Oh I beg, I beg and plead singing

Come out of things unsaid  
Shoot an apple off my head  
And a trouble that can't be named  
A tiger's waiting to be tamed singing

You are  
You are

Confusion never stops  
Closing walls and ticking clocks  
Gonna come back and take you home  
I could not stop that you now know singing

Come out upon my seas  
Cursed missed opportunities  
Am I a part of the cure?  
Or am I part of the disease? Singing

You are  
You are  
You are  
You are

You are  
You are

And nothing else compares  
And nothing else compares  
And nothing else compares

You are  
You are

Home, home where I wanted to go  
Home, home where I wanted to go  
Home, home where I wanted to go  
Home, home where I wanted to go
