I wanna live life, never be cruel And I wanna live life, be good to you I wanna fly, never come down And live my life, and have friends around

We never change, do we? No, no We never learned to leave So I wanna live in a wooden house

I wanna live life, always be true And I wanna live life, and be good to you I wanna fly and never come down And I live my life, and have friends around

We never change, do we? No, no We never learned to leave So I wanna live in a wooden house

Making more friends would be easy Oh, and I don't have a show to say Yes, and I sing every single day

We never change, do we?
We never learned to leave
So, I wanna live life in a wooden house
Making more friends would be easy
I wanna live where the sun comes out
