It could be worse  
I could be alone  
I could be locked in here on my own  
Like a stone that suddenly drops  
It never stops, no  
I could be lost  
Or I Could be saved  
Calling out from beneath the waves  
Beaten down by this ocean rain  
Never again  
Never again

Ohhh, Ohhh  
Ohhh, Ohhh

Screaming out from the crests of waves

It could be worse  
Bitter or sweet  
It could be snapped from the jaws of defeat  
Like a light lit upon a beach  
Wear your heart on your sleeve

Oh  
You want to stop before you begin  
You want to sink when you know you could swim  
You want to stop just before you begin  
Never give in  
Never give in

Ohhh, Ohhh  
Ohhh, Ohhh

Screaming out from the crests of waves

Nothing matters  
Except life and the love you make  
Nothing matters  
Except life and the love you make  
Nothing matters  
Except life and the love you make

Except life and the love you make

Screaming out from the crests of waves

Screaming out from the crests of waves

Where your longing to be saved

Screaming out from the crests of waves

Where your longing to be saved Screaming out from  
the crests of waves
