If sweet death
Should ever conquer me
Let me know
Boys, let me know
If you hear him coming
Won't you let me flee
Let me go, boys, let me go

One day
Death is gonna conquer me
I'll be down
Where the waters flow
I hope sweet Heaven
Is a place for me
Let me know

Boys, let me know

If sweet death
Should ever conquer me
Take me down
To some place below
If you hear him coming
Won't you set me free
Let me go
Boys, let me go

If you hear him comin'
Won't you say for me
That I just
Don't want to go
