Honey you are a rock
Upon which I stand
And I come here to talk
I hope you understand

The green eyes, yeah the spotlight, shines upon you
And how could, anybody, deny you?

I came here with a load
And it feels so much lighter now I met you
And honey you should know
That I could never go on without you
Green eyes

Honey you are the sea
Upon which I float
And I came here to talk
I think you should know

The green eyes, you're the one that I wanted to find
And anyone who tried to deny you, must be out of their
mind

Because I came here with a load
And it feels so much lighter since I met you
Honey you should know
That I could never go on without you
Green eyes, green eyes

Oh oh oh oh (x4)

Honey you are a rock
Upon which I stand
