Stuck here in the middle of nowhere
With a headache and a heavy heart
Well, nothing was going quite right here
And I'm tired, I can't play no part

Oh, come on, come on
Oh, what a state I'm in
Oh, come on, come on
Why won't it just sink in?

Help is just around the corner for us

Oh, my head just won't stop achin'
And I'm sad here lickin' my wounds
And I'm shattered but it really doesn't matter
'Cause my rescue is gonna be here soon

Oh, come on, come on
Oh, what a state I'm in
Oh, come on, come on
Why won't it just sink in?

Help is just around the corner for us
That help is just around the corner for us
Oh that, help is just around the corner for us
