Here comes the sun
Here comes the sun, and I say
It's all right

Little darling, it's been a long cold lonely winter
Little darling, it seems so long since it's been here
Here comes the sun
Here comes the sun, I say
It's all right

Little darling, I see those smiles returning to the faces
Little darling, it seems so long since it's been here
Here comes the sun little darling
Oh, here comes the sun, I say
It's all right

Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes

Little darling, It seems the ice is slowly melting
Little darling, it seems so long since it's been clear
Here comes the sun
Here comes the sun, little darling
Here comes the sun, and I say
It's all right

Here comes the sun, little darling
Here comes the sun, and I say
It's all right
It's all right
