now the line goes to tell about me  
its just the rhythm u need to make on it  
i don't have d instrument to play on it ..  
better u go through and get what life is all about

i m eligible bachelor  
i m drinkin  
i m smokin ..  
i have done every thing which u never even heard  
about  
hey thats my specialty,  
i do the things people even never think  
i want people to hate me .. just i showed my attitude ...  
n dey say its my fuckin attitude  
stil dey starring at me  
staring me , sense of liking me  
i don't know even, y they love me.....  
so don't even watch me  
u watch me u hate yourself even more !!

coz i'm eligible bachelor  
i m a changed guy ...  
become a new guy  
never ever let u know me completely  
but ya you just try for dat.....  
my style my cars my way of throwing d money ll  
completely ruin you ...  
throwing d money if u know , i m spending d money

so better to just watch it from d distance  
better yo better....  
one sitiing gonna make me rich.... ( ya baby one sitting  
)  
but ya i just hate d sittin....  
i just walkin in my own style driving on my own wheel...  
it just round n round  
lfe goes swanging hey yo people stick to your own seat  
...forget trying,  
u don't even watch it  
u watch it u hate yourself even more

coz i'm eligible bachelor

now y u blaming yourself , its just d luck .( yo !! )  
people make it by own  
but no one is lucky like like me  
my daddy has done for me, dnt evn raise questions...  
just to forget abt dat  
better u get all dis by rubbing ur ass  
now i know its hard to live in your own style  
coz u people have alrdy gone through my life  
but better to know d fact .....  
i m eligible bachelor  
so don't even watch me  
u watch me u hate yourself even more !!
