"In The Sun"

I pictured you in the sun wondering what went wrong
And falling down on your knees asking for sympathy
And being caught in between all you wish for and all
you seen
And trying to find anything you can feel that you can
believe in

May God's love be with you
Always....
May God's love be with you

I know i would apologize if i could see your eyes
'Cause when you showed me myself, you know, i
became someone else
But i was caught in between all you wish for and all you
need
I pictured you fast asleep
A nightmare comes
You can't keep awake

May God's love be with you
Always...
May God's love be with you
Always...
May God's love be with you
Always...
May God's love be with you

'Cause if i find
If i find my own way
How much will i find
If i find
If i find my own way
How much will i find
If i find
If i find my own way
How much will i find
You...
You...
I'll find you
You...

I don't know anymore

What it's for
I'm not even sure
If there is anyone who is in the sun
Will you help me to understand
'Cause i been caught in between all I wish for and all I
need
Maybe you're not even sure what it's for
Any more than me

May God's love be with you
Always...
May God's love be with you
Always...
May God's love be with you
Always...
May God's love be with you

'Cause if i find
If i find my own way
How much will i find
If i find
If i find my own way
How much will i find
If i find
If i find my own way
How much will i find
If i find
If i find my own way
How much will i find
You...
You...
I'll find you
You...
I'll find you
You...
I'll find you
You...
