Pour me, floatin' out to see  
An opportunity that went by  
Pour you, now what you gonna do?  
Now what you gonna do? You just cry

Pour me, so blind I couldn't see  
The flowers for the trees, I don't know why  
Pour you, you split yourself in two  
Now what you gonna do? You just cry

I hear you come nearer  
I hear you but I don't understand  
I hear you come nearer  
I hear you but I don't understand

Pour me, floatin' out to see  
An opportunity that went by  
Pour you, now what you gonna do?  
What you gonna do? You just cry

I hear you come nearer  
I hear you but I don't understand  
I hear you come nearer  
I hear you but I don't understand

I don't understand  
I don't understand

For feel [Incomprehensible]  
Strong at alley, I'm gonna feel it now  
I'm gonna feel it now, sing, say, say
