So I waited for you
What wouldn't I do
And I'm covered its true
I'm covered in you
If I ever want proof
I find it in you
Yeah I honestly do
In you I find proof

Light and dark
Bright spark
Light and dark
Then light

So I waited all day
What wouldn't I say

All the things in your way
Things happen that way
Oh and if I ever want proof
Then I find it in you
Yeah I honestly do
In you I find proof

Light and dark
Bright spark
Light and dark
Then light
Light
Light
Light
