Oh brother I can't, I can't get through

I've been trying hard to reach you 'cause I don't know
what to do

Oh brother I can't believe it's true

I'm so scared about the future and I wanna talk to you

Oh I wanna talk to you

You can take a picture of something you see

In the future where will I be?

You can climb a ladder up to the sun

Or a write a song nobody has sung

Or do something that's never been done

Are you lost or incomplete?

Do you feel like a puzzle, you can't find your missing
piece?

Tell me how you feel?

Well I feel like they're talking in a language I don't
speak

And they're talking it to me

So you take a picture of something you see

In the future where will I be?

You can climb a ladder up to the sun

Or a write a song nobody has sung

Or do something that's never been done

Or do something that's never been done

So you don't know where you're going and you wanna
talk

And you feel like you're going where you've been
before

You tell anyone who'll listen but you feel ignored

Nothing's really making any sense at all, let's talk

Let's talk, let's talk, let's talk.
