And the hardest part
Was letting go not taking part
Was the hardest part
And the strangest thing
Was waiting for that bell to ring
It was the strangest start
I could feel it go down
Bittersweet I could taste in my mouth
Silver lining the clouds
Oh, and I,
I wish that I could work it out
And the hardest part
Was letting go not taking part
You really broke my heart
And I tried to sing
But I couldn't think of anything
And that was the hardest part
I could feel it go down
You left the sweetest taste in my mouth
Silver lining the cloud
Oh, and I,

Oh, and I,
I wonder what it's all about
I wonder what it's all about
Everything I know is wrong
Everything I do it just comes undone
And everything is torn apart
Oh and that's the hardest part
That's the hardest part
Yeah, that's the hardest part
That's the hardest part
