A warning sign
I missed the good part then I realised
That I started looking and the bubble burst
I started looking for excuses
Come on in, I've got to tell you what a state I'm in
I've got to tell you in my loudest tones
That I started looking for a warning sign

When the truth is
I miss you
Yeah the truth is
That I miss you so

A warning sign
You came back to haunt me and I realised
That you were an island and I passed you by
When you were an island to discover
Come on in, I've got to tell you what a state I'm in
I've got to tell you in my loudest tones
That I started looking for a warning sign

And the truth is
I miss you
Yeah the truth is
I miss you so
And I'm tired
I should not have let you go

So I crawl back into your open arms
Yes I crawl back into your open arms
And I crawl back into your open arms
Yes I crawl back into your open arms
