I wanna live life, never be cruel,  
I wanna live life, be good to you.

I wanna fly, never come down,  
And live my life,  
And have friends around.

We never change, do we?  
We never learned to leave,  
So I wanna live in a wooden house,  
I wanna live life, always be true,  
I wanna live life, and be good to you,  
I wanna fly, and never come down,  
And I live my life, and have friends around.  
We never change do we? No, no,  
We never learned to bleed,  
So I wanna live in a wooden house,  
Making more friends would be easy.

O I don't have a show to say,  
Yes, and I sing of a single day,  
We never change do we?  
We never learned to leave.

So, I wanna live life in a wooden house,  
Making more friends would be easy,  
I wanna live where the sun comes out
