What the world needs now  
Is love, sweet love  
It's the only thing  
That there's just, too little of

What the world needs now  
Is love, sweet love  
No, not just for some  
But for everyone

And there are oceans and rivers enough to cross  
Enough to last, till the end of time

What the world needs now

It's the only thing  
That there's just, too little of

What the world needs now  
Is love, sweet love  
No, not just for some  
But for everyone

There are cornfields and wheat fields enough to grow  
And there are sunbeams and moonbeams enough to  
shine

What the world needs now  
Is love, sweet love  
It's the only thing  
That there's just, too little of

What the world needs now  
Is love, sweet love  
No not just for some  
But for everyone

Huh, more love

Uhh, more love  
Everybody know that  
Everybody, everybody knows that  
This world, whole world  
The whole world, the whole world  
There's not enough  
There's not enough  
There's not enough
