You only live twice  
Oh, so it seems  
One life for yourself  
And one for your dreams

You drift through the years  
And life seems stray  
Till one dream appears  
And love is its way

I'd love you to strangers  
Ooh, beckon you on  
Don't think of the danger  
For a stranger is gone

This dream is for you  
So pay the price  
Make one dream come true  
You only live twice

This dream is for you  
So pay the price  
Make one dream come true  
You only live twice  
You only live twice
