Just because I'm losing doesn't mean I'm lost  
Doesn't mean I'll stop, doesn't mean I'm across  
Just because I'm hurting doesn't mean I'm hurt  
Doesn't mean I didn't get what I deserved  
No better and no worse

I just got lost  
Every river that I tried to cross  
Every door I ever tried was locked  
Oh, and I'm just waiting 'til the shine wears off

You might be a big fish in a little pond  
Doesn't mean you've won  
'Cause along may come a bigger one

And you'll be lost  
Every river that you tried to cross  
Every gun you ever held went off  
Oh, and I'm just waiting 'til the firing stopped  
Oh, and I'm just waiting 'til the shine wears off

Aha, I gotcha, with the same sword they knight you  
They gon' good night you with  
Shit, that's only half if they like you  
That ain't even the half what they might do

Don't believe me, ask Michael  
See Martin, see Malcolm, see Biggie, see Pac  
See success and its outcome  
See Jesus, see Judas, see Caesar, see Brutus  
See success is like suicide, suicide, it's a suicide

If you succeed prepare to be crucified  
Media meddles, niggaz sue you, you settle  
Every step you take they remind you you're ghetto  
So it's tough being Bobby Brown

To be Bobby then you have to be Bobby now  
And the question is, is to have had and lost  
Better than not having at all?  
Because I'm

Oh, and I'm just waiting 'til the shine wears off  
Oh, and I'm just waiting 'til the shine wears off
