Times have changed and we've often rewound the clock  
Since the Puritans got a shock when they landed on  
Plymouth Rock  
If today any shock they should try to stand  
Steady landing on Plymouth Rock, Plymouth Rock  
would land on them

In olden days a glimpse of stockings  
Was looked on as something shocking  
Now heaven knows anything goes  
Good authors too who once knew better words  
Now only use four-letter words, writing prose anything  
goes

The world has gone mad today  
And good's bad today and black's white today  
And day's night today when most guys today  
That women prize today are just silly jigalo's

So though I'm not a great romancer  
I know that I'm bound to answer  
When you propose and anything goes

The world has gone mad today  
And goods bad today and black's white today  
And day's night today when most guys today  
That women prize today are just silly jigalo's

So though I'm not a great romancer  
I know that I'm bound to answer  
When you propose, anything goes

The world has gone mad today  
Day's night and black's white  
Yes anything goes
