Cuz everbody else knows what their taking tonight

Lift me up to the sun, to the sun, to the...

When your burning down, when your burning down
It's the way that you think that I know it's too late

But I just want to play it right
We, were gonna get there tonight!

I just want to take you down
We, were gonna bring you round

But I just want to play it right
We, were gonna get there ton?ght
