Last night I came home later than expected  
I walked in and hung up my coat  
I turned out all the lights was not expecting a fight  
I took off my shirt and went to bed  
I was very tired and I layed so still  
To think that an angel could kill  
I opened up my eyes and much to my surprise  
My life flashed before my eyes  
I was so tired and I was so cold  
Get out of bed is what I'm told  
And before I could open my mouth I was sleeping on  
the couch  
I was in the dog house again

Blah blah blah  
Blah blah blah  
Blah blah blah was all I heard  
I didn't have a sheet and no socks were on my feet

But baby I love you

11am I covered in sweat  
The couch was soaking wet  
I opened up my eyes and much to my surprise  
All my stuff was out on the lawn  
I didn't know what to do I didn't know what to say  
Not a good way to start my day  
Before I could open my mouth I was sitting back down  
on the couch  
Blah blah blah was all I heard

Blah blah blah  
Blah blah blah  
Blah blah blah was all I heard  
She punched me in the nose  
And that's how my story goes  
But baby I love you
