You've got to be wise  
You've be strong  
You've got to have love baby all day long  
Hop up on that train  
In the pouring rain  
You do what you gotta do  
There's no need to explain

I said hey  
I said hey  
Go get it

His father works so hard  
In that old factory yard  
He's earing all his gold  
He's early sixty years old  
He's out there in the morning  
He comes home late at night  
Mama's got to got to got to treat that man right  
Work the live long day

For things to come his way  
His dream is to see that San Fransisco Bay  
Now papa always said  
Son don't be afraid  
Go get what you want  
But don't you be underpaid

I said hey  
I said hey  
Go get it

You've got to be wise  
You've got to be strong  
You've got to have love baby all day long  
Work hard everyday  
Out there in the street  
Just like papa said  
You'll never take the back seat

I said hey  
I said hey

Go get it
