This fall is mine
It's autumn time
The leaves turn brown and they all fall down
The wind it blown into the sea
Taking the leaves from my oak tree

My oak tree loves me
My oak tree loves me
She told me, she told me ten thousand times
She told me, she told me that she was mine
I fell asleep under my tree
Knowing that she's so good to me
The seasons changed and it's getting cold
My old lady she's two hundred years old

My oak tree loves me
My oak tree loves me
She told me, she told me ten thousand times
She told me, she told me that she was mine
