All I can say  
Is don't feel that way  
We've all been there

And all I can say  
Is go about your day  
And don't feel down down down

I see it's dragging you down  
I see your frown to the ground  
So look out your window as they will pass you by

Don't waste your time  
When the weather is fine  
Carry on carry on carry on sir  
As you were

No sir don't carry all that weight  
Move on sir move on sir  
As you were

And one of these days

you will soon see how  
you were blind

And I'll tell you my friend  
That's it's not the end  
So get back on your feet and stand and walk

Set yourself free  
Or you'll sink into the sea  
Fly away fly away fly away  
And be

Be all you can  
Be all you can  
carry on carry on carry on sir as you were

No sir don't carry all that weight  
Move on sir move on sir  
As you were

As you were  
As you were
