Somebody stole my money
Somebody stole my money

I don't have that much
I've been blessed with bad luck
They need it worse than I
That thief almost made me cry

Somebody stole my money
Somebody stole my money

When I first had a look
I didn't realize what they took
When I went to get some bread

I reached in my pocket
And I said

Somebody stole my money
Somebody stole my money

What was the lesson I learned
That it was just my turn
The thief taught me something for sure
That I need to lock my door

Somebody stole my money
Somebody stole my money
