You You You You're on my mind
My Mind
You're on my mind

Can you tell that you're on my mind
You took your things and you left me behind
I, I write my sad, my sad songs
And I know that you will be gone for so long

Yes you left me
Yes you left me
You left me a broken heart

You're on mind

My mind
You're on my mind

Tears are falling from the sky
I try try
Is this our last goodbye
Yes I miss you, yes I miss you
Yes I do
I miss you so much

Yes you left me
Yes you left me
You left me a broken heart

You're on mind
You're on mind
