Atlanta Moan Dobro - Low E Tuning
Colin James - Bad Habits

Intro

Nobody knows Atlanta like I do, nobody knows Atlanta
like I do!

The reason I know's 'cause I traveled it through and
through.

They've taken my woman, and they've cut her to the
bone.

They've taken my woman, and cut her to the bone.

That's the reason you don't hear me cry any more.

Solo

Can't you hear that steamboat whistle blow

Can't you hear that steamboat whistle blow

You know it blows just like it's never blown before.

Second Solo, and outro.
