Breakin' Up The House

Over in the house every night
I bet they have a meetin' and some kind of fight
Yes, they're breakin' up the house
Yeah, breakin' up the house
If we don't have a meetin' they're gonna have some
kind of fight

Monday's this, Tuesday's that
Wednesdays is the neighborhood chewin' up the fat

Yes, we're breakin' up the house
Yeah, breakin' up the house
If we don't have a meetin'
Then everybody's gonna get real tight

Sax

I walked to the corner called the raisin' sun
Raisin' up the roof for as all they've done

Yeah, they're breakin' up the house
They're breakin' up the house
If they open up the bottle
Then everybody gets real tight

Last night and the night before
55 people came walkin' through my door
Yeah, they're breakin' up the house
Aw, they're breakin' up the house
And if they don't have a meetin'
They gonna have some kind of fight

Sax

Well, they party in the attic and the cellar too
Call me so crazy man I don't know what to do

Yes, they're breakin' up the house
They're breakin' up the house

And if they don't have a meetin'
They sure gonna have some kind fight

In walked Cindy Lou
She brought her whole family too
Took off the hats, coats and shoes
They ate up all the food then they took
A little snooze

Yes, they're breakin' up the house
They're breakin' up the house
If they don't have a meetin'
They still gonna have a ...

Piano

Yeah, breakin' up the house
Yeah, we're breakin' up the house
Oh, breakin' up the house
Well, we're breakin' up the house

If they don't have a meetin'
They gonna have some kind a fight
Yeah, if they don't have a meetin'
They sure gonna have a fight
