Cadillac Baby
How that woman loves to ride
Yeah, Cadillac Baby
How that woman loves to ride
She's crazy 'bout that hydromatic
Cause it's such an easy ride

She loves her rollin, how she loves to ball the jack
Crazy bout her rollin, how she loves to ball the jack
She's crazy about that easy ridin, crazy bout that
Cadillac

Turn on the radio and cruise on down
The avenue
Yeah, turn on the radio and cruise on
Down the avenue
She's crazy about my caddy
And I 'm crazy for my baby too

Sax

Well, long about midnight she came
Knockin on my door
Yeah, long about midnight she came
Knockin' on my door
Gotta take out that caddy
Baby wants to ride some more

Yeah at night we went riding
Riding in the rain
She was my baby
And I was her man

She said honey ride a long long time
You rock so easy, so mellow and fine
If you get tired of ridin, give yourself a rest
Park it in the spot that your baby loves the best
Cadillac baby
How that woman loves to ride
Yeah cadillac baby
How that woman loves to ride

Crazy bout that easy ridin'
How she loves that cadillac

Go
Trumpet
Let it Roll

Guitar

I gotta Roll
All night long
Gotta Roll
All night long
Yes we gotta roll pretty darlin'
Roll all night long
