I came into your store  
I'm not buying anymore  
so much for my will  
until the day I die  
I will love you still

I walked in through your door  
I swore I wouldn't anymore  
so much for my word  
until the seas run dry  
I will love you still

I wanna love you like  
there's no tomorrow  
if not I can pretend  
and play the highlights  
or I can lock the door  
and turn the closed sign  
then maybe I should let  
a little time pass

I looked down at the floor  
but I'm not cryin' anymore  
so much for my tears

until the day I die  
I will love you still

and I don't know what to say  
but I like it more that way  
a penny for your thoughts  
then right (?) more I'd pay  
just to hear you say  
mmmh

I wanna love you like  
there's no tomorrow  
if not I can pretend  
and play the highlights  
or I can lock the door  
and turn the closed sign  
then maybe I should let

a little time pass

I came into your store  
but you don't work there anymore
