Sometimes it takes a piece right a you
And when you think that youve seen enough
You realize that your breaking all through
Sometimes the deeper you go
Brings you closer to the lighter day

Let me love you
I don't wanna talk about it
I don't wanna talk any more
Let me feel you
Let me feel you
I'm starting to know how
How to love you

And try not to think so much
I really should let it be

I don't wanna talk any more
Let me feel you

I'm starting to know how

Let me love you
Let me love you
I don't wanna talk about it
I don't wanna talk any more
