I know you don't love me no more  
You're not the kind that would tell me so  
So, be a woman and talk to me  
If that the way that you'd rather be  
Feel sorry for me in one way  
You've got to hurt me by telling me someday  
So, get it over baby  
Please stop leadin' me on

You're feeling miserable and i'm the cause  
And feeling sorri won't help me long  
I really hate to see you living this way  
But i'll go on and i'll make it someday

I know you don't love me no more  
You're not the kind that would tell me so  
So, be a woman and talk to me  
If that the way that you'd rather be  
Feel sorry for me in one way  
You've got to hurt me by telling me someday  
So, get it over baby  
Please stop leadin' me on

Ohhh get it over baby  
Ohhh yeah

You're feeling miserable and i'm the cause  
And feeling sorri won't help me long  
I really hate to see you living this way  
But i'll go on and i'll make it someday

I know you don't love me no more  
You're not the kind that would tell me so  
So, be a woman and talk to me  
If that the way that you'd rather be  
Feel sorry for me in one way  
You've got to hurt me by telling me someday  
So, get it over baby  
Please stop leadin' me  
Get it over baby  
Please stop leadin' me

Get it over baby  
Please stop leadin' me on
