Its time we recognized it
Its time we tried to see it for what it is
There's nothing underlying it baby
There aint another picture as clear as this
What you gets what you see
There aint no mystery to me
No evidence to doubt talking
No slight of hand or working behind the scenes
The way you tell the story baby
So complicated, don't even know what it means
What you gets what you see
There aint no mystery to me
What you gets what you see
There aint no mystery to me
No doubt talking
No sleight of hand
No behind the scenes
That's the way I am
No double talking
No behind the back
No behind the scenes
No behind the scenes
No behind the scenes
What you gets what you see
There aint no mystery to me
