Colin James  
No More Doggin'

Honey, no more doggin', foolin' 'round with you  
Honey, no more doggin', foolin' 'round with you  
I'm gonna let'cha out baby, and that's what I've got to  
do

Well, told you all the straights and I made you fine  
You spend my money on whiskey, beer and wine  
No more doggin', foolin' 'round with you,  
I'm gonna let'cha out baby, and that's what I've got to  
do

Well, ya told me that'cha love me and you told me a lie  
Yes, I'll love you until the day I die  
No more doggin', foolin' 'round with you  
I gotta let'cha out, baby, and that's what I've got, oh  
yes

Well, ya know I love ya baby and I can't help myself  
Yes, I'll love you until the day I die  
No more doggin', foolin' 'round with you  
I gotta let'cha out, baby, and that's what I've got to do  
I gotta let'cha out, baby, and that's what I've got to do  
I gotta let'cha out, baby, and that's what I've got to do
