Another day passes and you don't call
Getting to know every crack in the wall
If there's a good reason for this
Its a secret you're keeping
Cant make a move and don't know why
As if I don't have a reason to try
But the sun keeps coming around
Without me sleeping
Youre going away now baby
With nothing to say
So nothing makes sense to me lately
Of all the things to throw away
Its like cleaning up the streets
After the fireworks
All of this beauty
Turned to dust and to dirt
No relief from the light of dawn
When it takes over
Im hoping you feel something missing
That you had yesterday
Im wondering what you were thinking
Of all the things to throw away
Of all the things to throw away
Youre gone away from me
All Ive got to say
Im hoping you come to your sense
Of all the things to throw away
