happy in the place that i am
i don't know if i would change a thing
happy til the day that i saw the boy that you brake
the more that i thought i was empty so

will i stay or will i go
i don't know
i can't make up my mind
woah woah
will i stay or will i go
i don't know
i can't make up my mind
woah woah

trying to make some sense of my head
and what's going on?
and what's her name? yeah her again
you said it used to be that i thought
that she was the one
and all i had to do was wait
now i wish that i could say that she's gone
but she's not (no)
she's still on my mind, from time to time
and now everything in you i could want
just the thought
of losing you is enough to break my mind

will i stay or will i go
i don't know
i can't make up my mind
woah woah
will i stay or will i go
i don't know
i can't make up my mind (my mind)
woah woah

and maybe i'll find a way to work it out
and maybe i'll find a way to bring it back
and maybe i'll find a way to change the past
and maybe by the time i do you'll be gone

will i stay or will i go
i don't know
i can't make up my mind (can't make up my mind)
woah woah
will i stay or will i go
i don't know
i can't make up my mind
woah woah

will i stay or will i go
i don't know
i can't make up my mind
woah woah
will i stay or will i go
i don't know
i can't make up my mind
woah woah
