The night was hot
She's cold as hell
She fakes a smile
But I can tell
That she's been burned
By love gone wrong
Her dreams are scarred
Her nights alone

CHORUS

You have such a beautiful face
And you're smiling down on me
And every day I wake up
And feel that old flame
Did you know I let it go for so long
And now it's coming back
That old flame
Will burn me once again

The night was hot
I'm drunk as hell
I fake a smile
But she can tell
I love her so
But I'm scared as hell
I hit to hard
Last time I fell

CHORUS

You have such a beautiful face
And you're smiling' down on me
And every day I wake up
And feel that old flame
Did you know I let it go for so long
And now it's coming back
That old flame
Will burn me once again

You have such a beautiful face
And you're smiling down on me
And everyday I wake up
And feel that old flame

Did you know I let it go for so long
And now it's coming back
That old flame
Will burn me once again

You have such a beautiful face
