Well I'm trying very hard just to get back on my feet  
And when I'm walking all alone and what the hell do I  
see  
It's my former girlfriend  
Well she's with some preppy piece of shit who thinks  
he's a man  
He's got a straw in his beer he's got a spray on tan  
She says, "meet my new boyfriend"  
Well I close my eyes and grind my teeth and man did  
you smile  
But only tactics such as this can only work for a while  
And then she asked me how I've been

### CHORUS

Well don't you know that I am happy  
I'm oh so fucking happy  
You were holding his hand  
I jam mine down in my pants  
I say, "meet my new girlfriend"  
Ooooh you know I'm happy but I just need a little drink  
So I can have an excuse to make a bad mistake  
You know I'm happy I'm oh so happy  
I know that I am drunk but I mean it when I say go to  
Hell  
Hmm yeah

Well I told her that I couldn't tell her ass from her face  
And that she must be eating well because she put on  
some weight  
Then I knocked out her boyfriend  
When the cops finally arrived they put the cuffs on my  
hands  
I must've had a funny look because the sheriff said  
Boy why are you smiling?

### CHORUS

Well don't you know that I am happy  
I'm oh so fucking happy  
She was holding his hand  
I jam mine down in my pants  
I say, "see my new girlfriend"  
Ooooh you know I'm happy but I just need a little drink

So I can have an excuse to make a bad mistake  
You know I'm happy I'm oh so happy  
I know that I am drunk but I mean it when I say go to  
Hell  
Hmm yeah

This is an attempt to write a happy song  
But as you can see something went horribly wrong  
Like everything in my fucking life

Well don't you know that I am happy  
I'm oh so fucking happy  
She was holding his hand  
I jam mine down in my pants  
Well bitch see my new girlfriend  
Ooooh la la la la la la la la  
La la la la la...  
I'm so fucking happy  
I'm so fucking happy
