Time for the rain to wash it away
You're going to find me lone and sane
Yeah, I've seen these places go up in flames
I'm just to callused and to sore, yeah

CHORUS

Tonight in the rain again
Letting go of my pain again
Am I insane
Tonight I'm afraid?
The sweet sound of riving, riving insane
It's?

Old dog is barking
It's ready to fight
Freed in the darkness and pray in the light
I'll make you
I'll make you
I'll make you
Pay

CHORUS

Tonight in the rain again
Letting go of my pain again
Am I insane, insane
Tonight I'm afraid?
The sweet sound of riving, riving insane
It's?

Hand on the steering wheel
Another on a gun
I'll bring you to hell
For the evil that you've done
I'll make you
I'll make you
I'll make you
Pay

Time for the rain to wash it away
You're going to find me lone and sane

Whoo goddamn
