Chea,  
Chea, chea, chea, chea  
Ch-chea, ch-chea, ch-chea, ch-chea  
Uh huh, okay. Uh huh, okay.  
I'm a badass white boy  
Rollin 'round in my big truck.  
Dubbed up, chromed out,  
New south. Watch out.  
I'm a badass white boy  
Spittin game, platinum chains, in the rain  
Switchin lanes, against the grain.  
Ballin in my veins.

Big rims, them Tims,  
That Benz, Mo ends.  
Take friends, watch them.  
That game, I spit.  
It's real. Fuck them.  
They hate, I live  
Stack chips, get rich.  
Push weight. Flip bricks.  
All my dogs show love for me.  
Spend paper, like constantly.  
In the club, they ride for me.  
In the streets, they're a part of me.  
Overwhelmed, by luxuries.  
I guess the money got the best of me.  
Big cars - you don't want to believe  
Big houses - you don't want to leave.

I'm a badass white boy  
Rollin 'round in my big truck.  
Dubbed up, chromed out,  
New south. Watch out.  
I'm a badass white boy  
Spittin game, platinum chains, in the rain  
Switchin lanes, against the grain.  
Ballin in my veins.  
I'm a badass white boy  
Rollin 'round in my big truck.  
Dubbed up, chromed out,  
New south. Watch out.

I'm a badass white boy  
Spittin game, platinum chains, in the rain  
Switchin lanes, against the grain.  
Ballin in my veins.

I'mma ball til I fall  
Switchin lanes on 22s.  
In the club, got nothin to use.  
Badass white boy, nothin to prove.  
Spittin game, stackin cheese.  
No love fo my enemies.  
All my thugs gon ride for me.  
In the club - no stoppin me.  
Blaze trees, eyes low,  
Indigo, Range Ro,  
Flat screens, 24s  
Fox?, pockets swoll,  
On it goes, speed?  
New south, stackin dough,  
On the grind, blowin smoke  
White boys - outta control.

I'm a badass white boy  
Rollin 'round in my big truck.  
Dubbed up, chromed out,  
New south. Watch out.

Bling so big you see your face.

Get bout us, get dome. Fuck that. Get rich.

FBI be so suspicious.  
Eyes wide open. Gotta watch the snitches.  
Never stop punks who taking pictures.  
All? couped up in the kitchen  
Pushin weight across the state.  
? circulate.

The world ain't big enough for one to glow.  
Pockets swoll, smoking out them bones.  
Got plenty hos.?
