I changed so long  
To taste the joy  
And the nights so long  
This christmas  
And All I want is  
For you to come back to me

Chorus:  
Baby its true  
All that I want for Christmas is you  
That will make all my dreams come true  
All that I want for Christmas is you

(Denine's Part)  
Its been so long since I've seen you  
The summer nights have come and gone  
I wish I could know what I mean to you  
And what i did that was wrong

My friends are seeming happy  
Cause Christmas time is near  
Theres no holiday with out you  
I'm gonna need you here

(Collage's Part)  
My friends are talking presents  
Why cant they see  
All I want for christmas  
Is you loving me
