All of my life I had searched for you
Always looking, never finding a love to pull me through
But then you came to me, from heaven above
You took my hand, filled my empty heart with your
tender love

Angel
You're the only one I adore
You're the one that my heart beats for, evermore
Angel
You're my angel
You're the only one I adore
You're the one that my heart beats for, evermore
Angel
You're my angel

Every night girl I'll pray for you
Always waiting for your love to somehow pull me
through
And since you came to me, from heaven above
You took my hand, and my lonely heart
and saved me with your love

Angel
You're the only one I adore
You're the one that my heart beats for, evermore
Angel
You're my angel
You're the only one I adore
You're the one that my heart beats for, evermore
Angel
You're my angel

Angel
You're the only one I adore
You're the one that my heart beats for, evermore
Angel
You're my angel
You're the only one I adore
You're the one that my heart beats for, evermore
Angel
You're my angel
